hey guys!
good meeting yesterday and feeling good vibes there. really nice meeting
you christian.
my gear list is attached. they're broken up into 3 tabs in the spreadsheet.
let's figure out some next steps...
best

Hey fellas,
Good meeting with you guys yesterday. Just wanted to connect everyone
here and start sending around ideas and gear lists etc. Look forward to
hangin soon.

Greetings bros,

It was great meeting you Russ! Thanks for coming out and checking the space and the vibe. The gear list looks amazing! I look forward to working with both of you guys and cultivating something that, I think, will be great. I agree, let's pass around ideas and figure out the next steps and have a hang soon. I look forward to hearing from you guys.
