Sounds good! I hope you're having a great cruise...it's cold as balls here. Let's get together when you get back. Enjoy!

Hey Eric,
Hope you doing great, I think Neil told me you are on a cruise or about to go on one. Just want to shoot you an email and put together a date to discuss the studio you are helping put together...
Let me know if any time in the next couple of weeks works!
Thanks,
Judd
