--- EMAIL BODY ---

I have been trying to get the landlord attorney to tell me if the landlord is going to complete the scope of work or whether we need to restore the case to the court calendar. They put me on hold because their remediation was ServPro and they could not get an appointment with ServPro due to Hurricane Idalia cleanup. Now the owner's lawyer says that he thinks a phone conference between Ed and their expert would help. I have agreed because talk is cheap and we can always restore the case to the calendar if the talk doesn't resolve things. I am sending this email to let you both know what is going on and to let Ed know it's OK to talk to their expert.
