Lab results attached

I'll work on report

These results are terrible

All the air samples have very elevated levels of pen-asp spores

That's not good

Tape lifts all indicate mold growth

They need to do the entire scope

May need to include kitchen floor but we will see

Ed,

Attached are a signed COC and two reports (#210817-04) for three bulks, six Allergenco and fo  
tape samples.

Don?t forget we do COVID virus testing from environmental samples. If you have any needs, cal  
us. Dr. Ching-yi Tsai can assist you.
